

Curriculum Vitae

Name: **STEVEN JUKS**
DOB: 16.12.1996
Telephone: +372 5354 2265
E-mail: stevenjuks@hotmail.com

Education

2016 – 2019 Tallinn University of Technology, BSc, informatics
2013 – 2016 Võru Gymnasium
2004 – 2013 Võru Kesklinna Gymnasium

Experience

01.2020 – 05.2020 **Estonian Defence Forces, 21st Infantry Battallion – IT support**
Provided IT support in on-field headquarters. Developed an application for logging radio communication which quickly found use in all of the on-field headquarters.

08.2019 – 12.2019 **Estonian Defence Forces, Cyber Command – UI/UX designer**
4-month deployment in the Cyber Command's software development unit as part of my conscription. Mainly worked as the UI/UX designer of a tactical map application used to coordinate large exercises all over the Defence Forces.
Runner-up at Digiriigi Hackathon 3.0 as a developer in a 5-man team.

06.2018 – 09.2018 **Kuehne + Nagel Tallinn IT Centre – software engineering intern**
Front-end developer on two applications integrating JIRA to provide a detailed overview of projects' budgeting and sprint progress.

08.2015 – 12.2016 **Revismo 3D Studio – 3D visualizer**
